WMMFA
Washington Materials Management & Financing Authority

COLLECTOR NAME:_____

E-CYCLE
small effort • big return
ecyclewashington.org

By signing this receipt I acknowledge that I am in fact a "covered entity" for the purposes of obtaining free recycling of certain electronic products, defined as "covered electronic products" (TV, Monitor, Laptop, PC) submitted for transportation and processing, paid for by electronics manufacturers that sell products within the state of Washington. I agree to allow the WMMFA (authority financing the collection and processing) to contact me for verification that the components submitted "qualify" for processing paid for by the authority.

Date	Printed Name	Name of Organization	Phone	Description of Electronics	# of Items	Signature

"Covered entity" means any household, charity, school district, small business, or small government located in Washington State.
"Small business" means a business employing less than fifty people (all locations combined)
"Small government" = a city in Washington State with a population less than 50,000, a county in Washington State with a population less than 125,000, and special districts in Washington State.
